 More information regarding the time and meeting point for the first/last day will be provided after the booking.

Celano

The meeting point is scheduled at 8:30 AM at the parking lot near the pine forest of Avezzano (AQ). After a briefing and e-bike handover, the group will set off at 9:00 AM for a route of about 40 km, alternating short paved and dirt sections, with a positive elevation gain of approximately 300 meters, suitable for everyone. Along the way, we will reach Celano, where we will visit the Cloister of Santa Maria Valleverde and its Crypt; shortly after, we will stop at the Fonte dei Miracoli to refill water bottles. We will then continue to Piccolomini Castle for a guided tour. At the end, those who have not booked lunch can arrange to return with our vehicles, with the activity concluding around 1:30 PM.

Those wishing to continue the day with us can enjoy a quick lunch at the "Crosta e Mollica" restaurant in Piazza Aia (please notify any dietary requirements). After coffee and a short break, we will resume the e-bikes and head to the panoramic terrace within the town (this is the only challenging part of the route, not suitable for bikes with child seats), from where you can enjoy a full view of the Fucino plain and the Marsica area. Finally, we will descend back to the center of Celano and return to Avezzano by e-bike, with the activity ending around 4:00 PM.
